In this world, the one thing that binds people through time is the love of their food. Hundreds of aromatic herbs, thousands of exotic ingredients and sauces, millions of flavors are steamed, tossed, stirred and fried in the legendary kitchen of “The Monk’s”

Our chefs at The Monk’s excel at preparing authentic dishes that delight the taste buds. Our chefs are known to braise, blend, toss, temper and stir up signature delicacies inspired from many regions of the world!

Experience the first hand magic that our chefs create which is no shorter than any work of art!

AUTHENTICITY :

Our chefs take pride in creating the most authentic dishes that take you down the memory lane and leave you with a refreshing experience. We constantly strive to innovate and create magic on your plate.

PEOPLE MATTER :

Our utmost importance is given to our customers as well as our employees. We endeavor to provide outstanding experience and make everyone feel special.

INGREDIENTS :

We source the best of the ingredients from the most reputable vendors, and sometimes directly from that region of the globe where it is most typically found. Our chefs are very particular about adding the right ingredients to maintain the authenticity of our items. At all our restaurants, our mantra is to remain honest to the basic essence of the recipe, yet create an innovative meal that makes you fall in love over and over again!
